KS Gov. to help dedicate expanded Atchison YMCA  
**(KAIR)--A process that began nearly five years ago becomes a reality  
Wednesday, as the Atchison Family YMCA/Cray Community Center unveils the  
newly renovated, and expanded facility, in downtown Atchison.**

**Donors, members, volunteers, and community members, will join together for an  
11:30 ceremony marking the grand opening.**

**Executive Director Lorin Affield told MSC News Kansas Governor Sam  
Brownback will also be in attendance. "[He's] going to come and help dedicate  
this building, which is really a great statement for the Y...we're very excited about  
that opportunity."**

**\$11.3 million was raised to fund construction of the more than 30,000 square-foot  
building, named in honor of Cloud L. "Bud" Cray, Jr. and his family, for their  
long-time involvement in the Y, and the goal to improve it.**
