Richardson Co Commission approves pay raises

(KLZA)-The Richardson County Commission has approved salary adjustments for the non-union road and bridge employees.

A 2-percent increase was approved Tuesday for the Road Department Foremen and the Administrative Assistant.

The raises are retroactive to July 1.

In other action, the Commission approved the purchase of a 2017 Dodge Charger pursuit vehicle for the Sheriff's Department.

The used vehicle has a $20,000 price tag but comes with a fully equipped patrol package—including siren and light system.

The purchase will be made from Kansas Highway Patrol Fleet Sales of Topeka.
