

Voluntary evacuation of Big Lake

**(KLZA)-- Richardson County Emergency Management reports that a voluntary evacuation is underway at Big Lake, Missouri.**

**Richardson County Emergency Management was in contact Wednesday morning with Holt County Emergency Manager Tom Bullock.**

**The evacuation is strictly voluntary and no decisions on mandatory evacuations will be made until the storm system moving through the area Wednesday has passed through the area.**

**The Holt County Sheriff's Office did report that some people were moving trailers from the Big Lake area due to the potential for flooding.**

**In Richardson County, one road closure has been reported. 707 road is closed from 655 Avenue to 656 Avenue. Water from melting snow went over the road and caused quite a bit of damage to the roadway.**

**This area is approximately a mile north of the Preston corner and the first mile west.**
