

Inmate dies at Tecumseh prison

**TECUMSEH, Neb. (AP) - Authorities say an 82-year-old inmate has died at the Tecumseh prison in southeast Nebraska.**

**The Nebraska Correctional Services Department says Jerry Hansen died Saturday evening. He started his sentence on May 20, 1965, at the age of 28.**

**His cause of death has not been determined. State law requires a grand jury investigation whenever someone dies in custody or while being arrested.**

**Prison records say Hansen was serving two sentences of 10 years to life in prison for second-degree murders in Saunders County. He'd also been convicted of two counts of shooting with intent to kill, wound or maim.**
