

Missouri fire leads to charges

(MSC News)--Charges are filed in connection with an April house fire that resulted in the discovery of a body.

KQ2-TV [reports](#) three minors are charged in the case involving the April 25 Saint Joseph, Missouri fire in the 1400 block of North 3rd Street.

The body of a 14-year-old boy was found at the scene as the result of a tip provided to investigators.

The initial investigation indicated no one was inside the fire ravaged home.

Two of the minors are charged with first degree arson and abandonment of a corpse, while the third is charged only with abandonment of a corpse.

The charges were filed in April and May.

The body is identified as Cameron Satterly.

Satterly's family provided that information to the [TV station](#).

They said he was reported missing in February.
