Hiawatha man injured in Doniphan Co wreck

(KNZA)--A Hiawatha man was airlifted to an area hospital following a single-vehicle Doniphan County wreck Tuesday morning.

The Kansas Highway Patrol says it happened on K-120 at 180th Road shortly before 7:30.

The Patrol reports 53-year-old Kevin Waggoner was southbound when he over negotiated a curve to the east and his cement truck overturned.

Waggoner was transported by Lifeflight to Mosaic Life Care in St. Joseph with suspected serious injuries.

The Patrol says he was buckled up at the time of the wreck.
