Falls City fire call for smoke-filled house

(KLZA)-- Falls City Fire Fighters were called out Saturday afternoon at approximately 2:30.

The call was to 1314 Lane Street. The caller advised the house was full of smoke.

A report from the Falls City Volunteer Fire Department said a belt on the furnace of the home broke and the house filled with smoke when the furnace continued to run.

Falls City Volunteer Fire Department and Falls City Rural Fire Department personnel responded to the scene and were on site for approximately 90 minutes.

No structural damage was reported.
