

Five inducted into Chamber Hall of Fame

(KNZA)--Five individuals have been inducted into the Holton/Jackson County Chamber of Commerce Hall of Fame for 2021.

This year's honorees included Brooks Barta, Jay and Rogette Branam, Tim Morris and Carrie Saia.

The induction ceremony took place at a banquet held Wednesday at the Northeast Kansas Heritage Complex exhibition hall.

It marked the 16th annual celebration of individuals who represent inspired leadership, business excellence, entrepreneurial spirit, community impact and influential volunteer work.

This year's event was originally planned for February, but was postponed due to concerns over COVID-19.
